

▲ 4-in-1 Refresh Hub

Auto-recharge, auto water refill/disposal, water purification, and mobile water tank
Modular design to meet your needs

BIB ROBOTICS

BIB Robotics is committed to delivering intelligent service robot products and solutions. With extensive experience in fields including autonomous driving, environmental modeling, AI, and big data, the company is set to tackle a wide range of challenges across various environments, such as office complexes, retail outlets, and outdoor spaces. By harnessing advanced technology and fostering creativity, our mission is to apply intelligent technology to improve people's quality of life.

New AI-Powered 5-in-1 Robot

J40

Indoor Commercial Cleaning Robot

The J40 indoor commercial cleaning robot is the all-in-one solution for your cleaning needs. With five functions in one powerful device, the J40 efficiently cleans various hard floors and low-pile carpets. Perfect for offices and commercial spaces, the J40 simplifies cleaning tasks and maximizes efficiency.

Workspace

Commercial Area

Hotel

Transportation Hubs

Multiple Brush Options

Brush bristles with different textures can be chosen for various floor materials
Floors stay protected during deep cleans

AI-Powered Operation

Digital Platform

Manage equipment schedules, operations, cleaning reports, maintenance records, and task scheduling through our cloud-based interface.

- Operational Services
- Data Services
- Device Management
- Multi-device Dispatching

AIoT

AIoT integration with elevators and turnstile systems

AI Daytime Inspection

4-in-1 Refresh Hub

Zero-distance Cleaning

5-in-1 Cleaning Module

Self-cleaning Roller Mop

Autonomous Mapping

AIoT Integration with Access Systems

Cloud Platform & App Control

Dimensions	640mm*598mm*700mm
Weight	80 kg
Uptime	3~8 h
Operating Noise	≤ 70 dB
Cleaning Width	410 mm (Scrubbing) 420 mm (Mopping) 600 mm (Sweeping)
Clean Water Tank	9 L
Recovered Water Tank	9 L
Cleaning Efficiency	1800 m ² /h (Max.)
Max. Operating Speed	1.2 m/s
Gradeability	12.5% (7.1°)
Obstacle Clearance	20 mm
Battery Type	Lithium Iron Phosphate
Charging Time	2.5h
Min. Cleaning Margin	0 cm

*Based on various applications, the actual performance may differ.
